Trending Teams

Trend	Teams
Trending Up (2+ wins in last 3)	Manchester City, Chelsea, Newcastle United
Trending Down (2+ losses in last 3)	None identified

Performance Insights:

- Best offensive team: Liverpool (2.26 GPG)
- Best defensive team: Arsenal (0.89 GA/G)
- Most balanced: Teams with low goal differential variance suggest consistent performance

Methodology: Performance metrics computed from season-to-date statistics. Form string represents recent results (W=Win, D=Draw, L=Loss). Trend analysis based on last 3 matches: 2+ wins = trending up, 2+ losses = trending down.
